

Additional information

The map scale - 1:20 000 (1 cm on the map - 200 m in nature). Map size - A2 (42x59cm).

35 control points with values from 2 to 6 points will be placed in the distance.

The total value of points is 135, to visit all the control points (CP) participants have to count on a distance of about 40 km (in the air line).

In separate CP the legends will be clarified - follow the information at the competition center! There is a separate refreshment CP without point values in the competition area.

Several CP in city center will be located in buildings (the location will be indicated in the legend).

We remind you that there are WTOC 2018 embargoed areas in the competition area where participant entrance is prohibited. On the map territory will be marked with a restricted area.

On the map as the restricted area are marked major roads and railway junctions which can only be crossed in specified places (marked on the map with passing symbol).

The traffic will not be closed, therefore, we ask participants to follow the rules!

Map issuance time is changed! Maps will be issued to participants at 11:00, or 1 hour before the start.

After the finish catering (soup) will be provided to all participants in the race. The nearest shopping center is 500 m from the competition center ("Aveņu centrs", Raipoles street 11).

Invoices for participation fees must be submitted by e-mail: anastasija.smolakova@gmail.com, indicating the details of the payer.
