Terrain

Daugavpils city and nearby Jaunā Forštate and Stropi forests. City surroundings are characterized by various period buildings. The city is divided by railway lines and regional roads.

Territory Z part is mainly covered with good runnability pine forests. There are different size lakes and swamps in city area. A well-developed road network. The maximum height difference in the area up to 30 meters

Distances, controls and punching

In competition area **35** controls will be located – orienteering markers. **Point values are from 2 till 6.** Punching system – Sport Ident. Each competitor will have SI-card attached.

In separate CP the legends will be clarified - follow the information at the competition center!

There is a separate refreshment CP without point values in the competition area.

Several CP in city center will be located in buildings (the location will be indicated in the legend).

Map

Scale 1:20 000, H = 2,5m, S ~ 80 km2.

Rogaining map will consist of two types map. For urban area company "Jāņa Sēta" maps will be used, but in forest area – OK Stiga orienteering maps with simplified symbols. Map descriptions will be available on map: white color – forest, yellow – field, open areas, pale yellow – semi-open places, clearing, new forest, scattered trees, bushes; forest symbols are made according to runnability.

Map size - A2 (42x59cm).

The competition terrain partly covers WOC 2018 embargo areas. The rogaining competitors are not allowed to enter in these areas. Embargo areas will be marked on the map. Please check website for following areas: <http://www.woc2018.lv/wtoc/embargoed-areas/>

On the map as the restricted area are marked major roads and railway junctions which can only be crossed in specified places (marked on the map with passing symbol). The traffic will not be closed, therefore, we ask participants to follow the rules!

Refreshments, catering and service

There is a separate refreshment CP without point values in the competition area.

In competition center drinking water taking place will be available. **Catering – after finish for all participants.** Catering costs are included in entry fee. In competition center toilets and mobile phone charging places will be available. There will be available changing rooms and showers.

The nearest shopping center is 500 m from the competition center ("Aveņu centrs", Raipoles street 11).
